

Refugee Camp in My Neighbourhood

INTERACTIVE TOURS FOR HEALTH PROFESSIONALS

Take a health specific tour through a simulated refugee camp experience. You'll experience the journey of a refugee and gain a better understanding of the challenges they face as they arrive in Australia. Tours are delivered by guides from a range of refugee and asylum seeker backgrounds, and NSW Refugee Health staff.

This interactive tour will help you:

- Understand how the refugee experience can impact on wellbeing.
- Develop your understanding of risk factors for this group.
- Improve your ability to engage effectively with people from refugee backgrounds.
- Gain 2 CPD hours.
