Refugee Camp in My Neighbourhood

EXPERIENTIAL LEARNING - PROFESSIONAL DEVELOPMENT TOURS

Follow the footsteps of refugees and people seeking asylum in this simulated experience. You'll experience the journey of a refugee and gain a better understanding of the challenges they face as they arrive in Australia. Tours are delivered by guides with 'lived experience' from a range of refugee and asylum seeker backgrounds.

This interactive tour will help you:

- Understand how the refugee experience can impact on wellbeing.
- Develop your understanding of barriers and risk factors for this group.
- Improve your services to people from refugee backgrounds.

What previous tour participants have said:

"Confronting and powerful experiential learning."

"... the camp experience reminded me of how vulnerable and powerless you are when you don't know the rules, you can't understand the language and you don't have any ID and someone is shouting at you!... Thoroughly recommend it."

"I'm going to take into consideration how to simplify processes for our families."
